

LEPROSY WELFARE PROGRAM-GUNTUR

ANNUAL REPORT FOR THE YEAR 2017-2018

AGAPE INDIEN HILFE has adopted two leprosy colonies in Guntur and Nallagonda. We are helping nearly 148 leprosy infected and affected families in both the colonies. We are providing provisions, Rice, fruits and Medicines. we use to conduct awareness and rehabilitation camps to encourage them that they are also members of the modern society. they were given two big 2000 Liters each water tanks to enjoy the fresh and safety drinking water to lead healthy and happy lives. Every year at Christmas occasion we use to help woolen rugs to all the leprosy victims. Thank you so for yours prayers and support to uplift this poor Leprosy victims.
